# *Welcome to the Farm*

---

We are a small, fifth-generation, family owned and operated farm located just twenty miles north of Pittsburgh, PA. In 2014 we built our Event Center at "the lake" property and hosted our very first wedding! Since then, we have grown our facilities to include new ceremony spaces, finished restrooms, a bridal loft, bridal suite and a beautiful, handbuilt rustic bar and covered porch. To date, we have been honored to host nearly 100 weddings!

Surrounded by our open farm fields, pond, and Glade Run Lake, our spacious venue boasts over 7,200 square feet of finished concrete flooring for lots of dancing! Whether it be country-chic, modern farmhouse, or the beautiful natural feel of rolling farm fields you are looking for, we've got you covered! They say every wedding has its own story - when booking with Freedom Farms you grant us the pleasure of helping to create your unique and unforgettable wedding experience!
